

FIERCE Policies: 2017-2018 Season

If you need your dancer, please see a Director or Teacher that is not in class. No supervision is available for students outside of the classroom. It is the parent's responsibility to monitor students before and after class times. Siblings and guests of FIERCE students should be supervised by the parent always. No student should exit the building without a parent's supervision. FIERCE makes all effort to insure the best safety for the instruction of the students; however, understand that dance, gymnastics, and fitness are physical activities and sometimes under the best of care accidents occur.

Signing below states your student does not have physical limitations and **releases FIERCE from any liabilities** if an injury occurs. FIERCE is not responsible for any injury upon family member(s) or friend(s) of FIERCE students while on the premises or at any FIERCE activity, performance, or function. Same applies for any lost, stolen, or broken belongings.

April and May are very important months to prepare for our end of the year Production. Please make every effort to attend every class for preparation.
